OUR MISSION

KlasCement enriches and simplifies educational practice of teachers through a network of interconnected teachers and their resources.

TIPS AND TRICKS

Personalised onboarding experience
Help our users at exactly the right time.

Tips and tricks ®

This personal tips and tricks page helps you to get the best out of KlasCement. When a new tip becomes available to you, it will appear at the top of the page. The completed tips are shown lower on the page, so that you can revisit them.

Adjust settings:

- You get a KlasCement message with each new tip. You can adjust this via Profile → My options.
- By default only you can see which tips you have already completed. Share it with others by choosing 'All members' from the drop-down menu 'Who can see my tips and tricks?'

New tips and tricks

- Subscribe to the newsletter and get the most out of KlasCement. [Hide this tip](#)
Every Saturday, you receive a newsletter tailored to your profile (primary, secondary education or both). It contains:
 - educational and KlasCement news.
 - a list of the latest resources, videos, apps... for your educational level.

- Like useful reactions to resources. [Hide this tip](#)
You can now 'like' comments that you find useful. Click the thumb next to the valuable reaction. By giving useful, constructive comments, you help other users. And you also win. Because if someone likes your comment, you get five extra KlasCement points.
- What are KlasCement points? [Hide this tip](#)
The point system is a simplified view of your use of KlasCement. When you view educational resources your number of points decreases. When you rate those resources, leave a comment or add resources, your total score will increase.
